Venture Sports Delivery Drivers work together as a team to not only deliver skis and snowboards to our guests, but are also responsible for delivering an extremely high-level of customer service! Delivery drivers are able to work in a fast paced and ever changing daily operation.

The Venture Sports Delivery department is looking for employees who want to innovate and inspire through action. Being able to work in a fast paced environment and willing to adapt to numerous guests requests is a must. You will deliver, fit and pick-up gear at the guest's agreed upon location. You may provide slope side service for any fitting issues or gear malfunctions. Delivery Drivers are knowledgeable of all current gear for the season. They must maintain professional driving habits with company vehicles, be organized, help other employees prepare for future deliveries and be able to tune gear as needed. Must be able to work well with all company employees as drivers will also be an integral part in distributing product to all Venture Sports locations within the Vail Valley.
